

HT642

Enclosed Flat/Tilt Wall Mount

For 37" to 50" flat panel TVs
with VESA® 400 x 400mm mounting hole pattern

This incredibly easy to install Enclosed Tilt Wall Mount provides functionality while delivering a clean and secure installation for hospitality applications. It is engineered to expedite installation with its hook-and-hang style TV to mount connection, secure the TV to the wall preventing accidental dislodging and theft as well as to provide variable viewing angles. The open wall plate design provides plenty of wall access for installation of electrical outlets and running of input cables. Its box style design finishes off the look by hiding cables and external components from view for a truly clean, clutter-free installation.

TV size: 37"-50"

Max load: 100 lb (45kg)

FEATURES

- Flat and tilt wall mount functionality (+5°/-1°)
- Hook and hang design allows for an easy installation
- Clean profile design hides cables and mount within enclosed wall plate for a clutter-free installation
- Open wall plate design allows for total wall access, increasing electrical and cable management options
- Includes hardware for installation to wood studs, concrete or cinder block (metal stud accessory required, ACC415)
- Enclosed box wall plate design houses external interface boxes* for a clean installation and slim side profile view (*LG LST-4100A/B or HCS5610/5650 boxes fit within the mount)
