

HLC-KIT(-Q10)

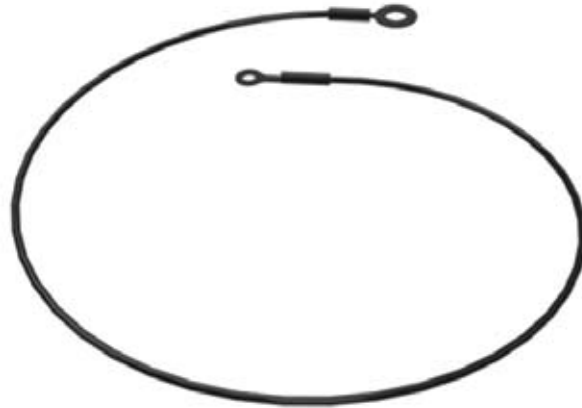

Universal Cable Kit For VESA Compliant Displays

Peerless' Universal Cable Kit for VESA® Compliant Displays provides discreet security that doesn't get in the way of viewing enjoyment. It easily installs to virtually any wood surface. Just position it behind the display and attach to the back of furniture. Using one cable makes it easy to retain swivel functionality, or use two cables for maximum security. It's a simple secure solution that doesn't get in the way.

FEATURES

- Compliant with all VESA® compliant displays
- Secures to virtually any wood surface
- Theft deterrent mounting hardware included

- **PIECE-OF-MIND**
Security neck screws and M-Series protect the display from removal of the base stand

- **Precise Positioning**
Wood security screw attaches to any wood surface location, allowing for precise positioning

Cable connected to Display
