Pole Mount for Media Devices

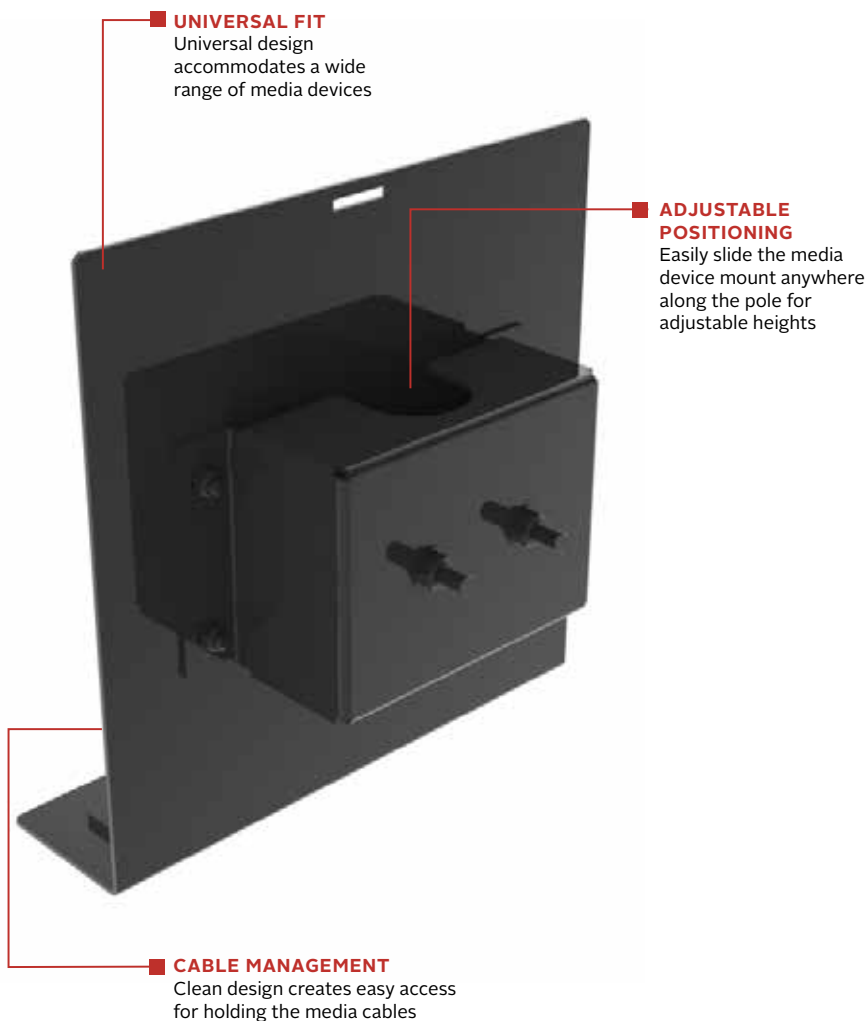

FOR CEILING MOUNTED DISPLAYS

For ceiling mounted displays and suspended TVs, finding a place to mount media devices just got easier. Now, the ACC488 gives the option of attaching the media device to the extension pole behind the display, keeping it close and its cables neatly organized. The universal bracket design makes the mount compatible with a wide range of media devices. Because MIS488 mounts to a standard 1 1/2" pipe, by way of U-bolts, this versatile media device mounting solution will attach anywhere along the column.

Additional Features

- ✓ Mounts to a standard 1-1/2" pipe (1.90" OD)
- ✓ U-bolt design allows for positioning the media device shelf mount at any height on the pole
- ✓ Universal design allows for compatibility with a wide range of media devices

ACC488 Pole mount for media devices for ceiling mounted displays
